

## **2018 Student Enrichment Grant Application**

### **General Grant Guidelines:**

The maximum grant amount is \$1,000.

### **Funds Restrictions:**

- Grant funds may not be used to cover costs associated with meals, parties or salaries.
- Grant funds may not be used to cover costs incurred prior to grant being awarded.
- Material purchased with grant funds must stay at the project site.
- Funds will be disbursed through the District. Recipients will not receive individual checks.

### **Format Guidelines:**

- Use the Comments section at the end of the application if there is not enough room in the space provided.
- The application should not exceed three pages. You may include supplementary material.
- Do not mention your name, the name of your school or any other identifying information in the details of your grant. This allows the grant readers to provide an unbiased evaluation of your project.
- Not all grant readers are educators, so avoid specialized language in your responses.

### **Principal Approval:**

- The school principal must sign all grant applications before they are submitted. If more than one school is involved, each principal must sign the application.

### **Review by Superintendent of Instruction:**

All projects must be submitted for review to the Assistant Superintendent of Instruction, attention Dawn Duffey - dawn.guffey@laramie1.org (Administration Building, Room 128) no later than 4:00pm on Wednesday, September 12, 2018. *\*(Submitted projects not returned to Grant Applicant by Monday September 17, 2018 will be assumed approved.)*

### **Technology Approval:**

If a project includes the purchase of technology or software, the Technology Director must also sign your application before it is submitted. Include website addresses for any Technology (hardware & software) and Website addresses to the 'terms of service' and privacy policy for technology. Include this in the Comment/Additional Information Section.

### **Grant Winner Obligations:**

- Return the attached Evaluation Form and a final report on their project including an expense statement to the Grants Committee by May 1, 2019. Any unused funds will be returned to the Foundation.
- Share information about their projects with students, parents, CSF members, grant donors, the media, and others.
- Share the results of their project with their colleagues in LCSD#1.
- Acknowledge their grant sponsor(s) and make an effort to involve them in some aspect of the grant.
- "Pay It Forward" by supporting the Cheyenne Schools Foundation. Examples include helping with fund raising activities, donating through the employee payroll deduction program, encouraging others to participate in CSF activities and helping colleagues complete applications.
- Publicize the Foundation's mission and help us grow and provide more learning opportunities for our students.
